Low Maintenance & Long Life

- Will not rot or decay
- Will not warp
- No staining, treating or painting

Friendly to the Environment

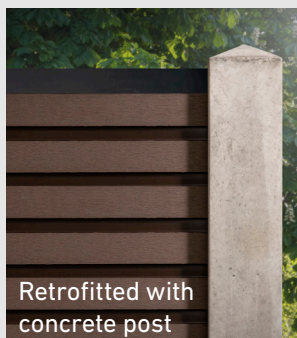

- FSC® 100% certified timber
- Recycled plastics
- Socially responsible

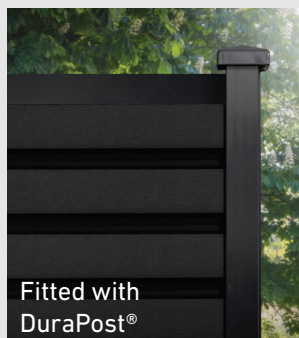

HD Fence™ features a 2 in 1 shiplap & shadow gap design available in 3 colours: **silver, walnut & lava**

Fitted with Composite Prime® post

Retrofitted with concrete post

Fitted with DuraPost®

HD Fence™ has been designed to be as versatile and easy to fit as possible. With multiple fitment options, the ability to retrofit into existing concrete posts and it's contemporary double-sided design, HD Fence™ can save up to half the time and cost compared to wooden fencing without compromising on the final result. Made from **FSC® 100% hardwood flour** and **recycled plastic**, which combine to produce a high quality finished product that outperforms traditional treated timber.
